National Contract Management Association

The National Contract Management Association (NCMA) is the premier association for contract management serving the needs of government and industry professionals. Part of NCMA's mission is to "advance the contract management profession and its nexus with related acquisition communities through engagement, standards, and professional development."

The MetroMD Chapter

The MetroMD (Pronounced: Metro-Maryland) chapter's goal is to extend that mission to the local community. Over 25% of the local federal workforce lives in Prince George's County and the surrounding area. This provides an amazing opportunity to reach and impact their professional growth and expose them to the resources available to support their agencies' missions.

Vision

The vision is to provide a neutral and welcoming environment where members can grow within the community by investing in their local community, their learning and expanding their network into the greater community.

Mission

The mission of MetroMD is to grow the membership of NCMA in suburban Maryland to meet the needs and desires of the local federal and state contracting community.

Chapter Activities

Overview

MetroMD is a hub for the local contracting community. The chapter's activities will foster a better understanding of the Contract Management Standards and growth of its members through the respectful and active exchange of ideas.

Special Events

Sponsor-led sessions to share insights, spotlight expertise, and engage MetroMD's community of acquisition professionals, small businesses, and government leaders. Sponsors gain high-visibility exposure and a platform to shape the federal contracting conversation.

Chapter Meetings

MetroMD hosts monthly dinner meetings, featuring keynote address/panel discussions centered on contract management, small business profiles, networking and more. It is a time for chapter members to share their ideas for the betterment of the chapter. Sponsors can speak and/or market during these sessions.

Training Sessions

Foundational to MetroMD is providing training and opportunities for professional growth. Our team is building a robust training curriculum that will support the growth of existing members and create demand for non-members to join. Sponsors can market during these sessions.

Conference & Seminars

These will be themed events centered on government, primes and non-traditional suppliers and their roles within federal government operations. Programming will include sessions on key issues impacting agency and industry stakeholders. Business leaders will be able to connect with decision makers while showcasing their company's capabilities. Title and top sponsors get preferential access during these events.

Year-end Event

MetroMD leaders plans to host a celebration that acknowledges the chapter's accomplishments and members contributions. The event will feature a State of the Chapter, awards ceremony, short keynote address, and a bit of revelry.

Sponsorship Benefits

Exposure to Decision Makers

With over 20,000 members NCMA is the premier professional association for contract professionals. Members include both government and industry practitioners as well as thought leaders and subject matter experts.

Local Engagement

Over 20% of the local federal workforce lives in Prince George's County. MetroMD provides a forum for agencies to engage with members of the broader contracting community and recruit professionals and businesses to their ecosystems. It is also an opportunity for established and new(er) market participants to expand their presence and connect with future partners.

Branding & Marketing

With a stacked event schedule running through June 2026 and beyond, MetroMD sponsorship provides excellent promotional opportunities for new and established firms. Sponsors logo and company materials are featured on print and digital media as well as other promotional materials.

Speaking Opportunities

MetroMD events also provide opportunities for sponsors to showcase their businesses. Top level sponsors are highlighted during events with top sponsors receiving speaking slots and the ability to serve as moderators at certain events.

Chapter Sponsorship Packages

Title Sponsor

\$25,000

Premier sponsorship for NCMA MetroMD. This sponsor is front and center at all MetroMD events.
